MEET THE HOSTS

We are 3 pastors' wives from 3 different churches and denominations who live in the same city. We started this podcast for one main reason: to build community among pastors' wives (and churches) and to speak on hard topics involving ministry leaders that usually remain unspoken.

JESSICA TAYLOR

Jessica is a missionary at heart married to the lead pastor of a free Methodist church plant.

Jessica runs Come Away Missions and DO GOOD Project, a nonprofit serving the people of Rwanda. She never turns down a ministry opportunity and speaks British like a champ.

You can find out more about her and her various ministries here on Instagram.

JENNA ALLEN

Jenna is a business owner married to a worship/discipleship pastor who essentially "pastors" other worship ministers through his nonprofit, Eminent Worship. He is also a discipleship pastor at their nondenominational church. Jenna runs a design business where she creates t-shirts, stickers, tank tops, tattoo lettering, and business branding. She is also a photographer. You can learn more about her business here on her website and get to know her a bit more personally on Instagram.

STEPHANIE GILBERT

Stephanie is a writer married to a youth/discipleship pastor at a southern Baptist church. They are passionate about working with teens and hope to do so until they're 80! She also does a little influencer work on the side and dreams of being a published author. You can find out more about Stephanie on her website and Instagram.
