PASTORS' WIVES TELL ALL

The Retreat

Thank you for your interest in having the Pastors' Wives come and host a pastors' wives retreat with you! What the Pastors' Wives need from you:

1. Ticket Sales

- Can use sites like Eventbrite or Brushfire for ticket sales.
- Base ticket price per person on total cost of event.
- Choose a min. and max. number of women to attend retreat based on the venue.
- Pastors' wives will advertise the event and point women to purchase tickets.
- We encourage you to have ticket buyers agree to a contract/disclaimer stating they understand you are not responsible if they were to contract COVID or any other illnesses while attending the event. We encourage the pay to be non-refundable to avoid losing finances (at the last minute) needed to pay the cost of the retreat.

2. Menu:

- Provide snacks, drinks, breakfast, lunch, dinner on Saturday & breakfast on Sunday (for 3-day retreats).
- Consider asking your church to provide food or reach out to businesses (ex: Chick-fil-A) to donate food to the event or hire a chef.
- Provide a cleanup crew (can ask for volunteers).
- Menu should be booked 1 month prior to the event.

3. Venue:

- Choose a retreat site and book that venue.
Keep in mind that all the women attending the retreat will be staying at the venue overnight.
- Do you know someone who owns a large cabin or beach house who would want to bless a group of pastors' wives by offering a discounted rate or free stay?
- Would your church or any other churches in the area pay for a venue to help cut the cost of ticket prices for the women attending?
- If you choose the 2-day retreat, the venue will still need to be rented for 2 nights since we will be using the facility until later in the day.
- Venue should be booked 3 months prior to the event.
